## Mithras - information

### Solution name:

Mithras

### Solution description:

Mithras is indispensable for the development and extension of a quality system. Mithras complies with the strict demands of ISO 17025, ISO 15189, GxP and also covers ISO 9001, ISO 9002, BRC, HACCP and ISO 22000 guidelines. Mithras software is unmistakably the exceptionally suited tool for acquiring these norms.
